The strategy at the heart of all activities and events hosted by The One Voice Institute of Elemental Ethics and Education is three-fold:

July 17- 19

The first goal is to support and amplify the voices of educators, to gather useful information gleaned from their varied experience, and to organize and publish their suggested resolutions to problems plaguing academic systems.

August 14-16

Secondly, the organization is dedicated to the publication and dissemination of practical solutions and steps authored by the experts into the hands of the political, government, and business leaders to educate those that will invariably influence the future of learning in the United States and throughout the world.

Finally, The One Voice Institute of Elemental Ethics and Education will make every effort to bring the message of its global audience to the ears of those who make the decisions and policies that impact education in the USA and around the world.

There are several related themes for this unique, educational happening:

**PRACTICAL SOLUTIONS FOR ISSUES IN EDUCATION**

**UNITY AMONG EDUCATORS ACROSS THE NATION AND AROUND THE WORLD**

**ADVOCACY AND RESPECT FOR EDUCATORS EVERYWHERE**

**TOPICS FOR CONCURRENT PRESENTATIONS** All areas of education and ethics are welcomed. Including:
